MEMORANDUM FOR CENTRAL RECORDS:

SUBJECT: Central Record Copies of Planning Studies

1. It has just been found that copies of certain studies recently submitted by the Planning Staff to the Director have not reached Central Records.

2. In order to assure that a complete set of the most important papers is filed in Central Records, the enclosed list is furnished. It is requested that a check be made against each item on the list to assure that a copy is in Central Records. A duplicate of this memorandum, and its enclosure, has been furnished [REDACTED] in order to assist the check.

3. Request this office be notified of the results.
